

School Leavers Programme

Derbyshire Healthcare NHS Foundation Trust are launching a one week placement for Year 11 school leavers during the summer holidays (31 July – 4 August 2023).

The Derbyshire Healthcare School Leavers Programme is dedicated to giving our future workforce a glimpse into the various NHS roles, to help them aspire for a career in the NHS.

Students will not only gain vital experience but will also receive an official certificate of placement signed by our Chief Operating Officer, containing evidence of their placement and thanking them for their time.

#DerbyshireHealthcareSchoolLeavers

Initially for six Year 11 leavers across three inner city schools, this one week placement will provide students with an insight into the different services we provide as a Mental Health, Learning Disability, Autism and Child Healthcare Provider for Derbyshire.

This placement will give school leavers an opportunity to meet and shadow our staff, and give them a great insight into the services we deliver, including Adult and Children's Mental Health, Perinatal, Rehabilitation, Forensics, Learning Disabilities, Autism, Substance and Alcohol Misuse and Gambling Harms, to name just a few...

There are over 350 different careers in the NHS, from administration staff to psychologists and analysts to doctors, each with a vital role to play in delivering an outstanding health service to our patients.

For more information and to express interest, contact Sabia Hussain, Deputy Managing Director, on meganelaine.mabbott@nhs.net
